## Pateisinimas (3)

Designated for the purposes of an asset freeze under the Russia (Sanctions) (EU Exit) Regulations 2019. The designation is made as a designation by name under the urgent procedure. The relevant provision by reference to which the Minister considers that condition B is met is Executive Order 14024. The purposes of this provision correspond or are similar to the purposes of the UK's Russia (Sanctions) (EU Exit) Regulations 2019, which have as their purposes to encourage Russia to cease actions destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine. The Minister considers that it is in the public interest to designate (condition C).

The Molecular Electronics Research Institute is an involved person under the Russia (Sanctions) (EU Exit) Regulation 2019 because it is involved in obtaining a benefit from or supporting the Government of Russia, by carrying on business in a sector of strategic significance, namely the electronics sector.

Designated for the purposes of an asset freeze under the Russia (Sanctions) (EU Exit) Regulations 2019. The designation is made as a designation by name under the urgent procedure. The relevant provision by reference to which the Minister considers that condition B is met is Executive Order 14024. The purposes of this provision correspond or are similar to the purposes of the UK's Russia (Sanctions) (EU Exit) Regulations 2019, which have as their purposes to encourage Russia to cease actions destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine. The Minister considers that it is in the public interest to designate (condition C). The Minister certified on 22 June 2022 that conditions B and C continued to be met.
