Pateisinimas (2)

The Myanmar Security Forces have a track record of committing serious human rights violations and repression of the civilian population of Myanmar. In 2017, the Myanmar Security Forces murdered, raped and tortured thousands of Rohingya during the Rakhine clearance operations. 740,000 Rohingya were forced over the border into Bangladesh. International Gateways Group of Company Limited (IGG), a Myanmar-based company, contributed funds to the Myanmar Security Forces in 2017, at fundraising events for the Rakhine clearance operations held by Commander in Chief, Min Aung Hlaing. IGG has therefore made funds and economic resources available directly to or for the benefit of the Myanmar Security Forces, which could have contributed to serious human rights violations and repression of the civilian population in Myanmar.
