Pateisinimas (2)

There are reasonable grounds to suspect that Owen Ncube bears responsibility for serious human rights violations, including systematic torture, committed by the security forces in the context of the heavy crackdown on protests in January 2019 by virtue of his position as Minister of State for National Security at the relevant time. There are also reasonable grounds to suspect that in directing ECONET to suspend all internet services in January 2019, which order the High Court subsequently ruled as illegal, Owen Ncube has also been involved in other actions that undermined the rule of law in Zimbabwe.
